

Welcome to Fort Road Bar

Despite being one of Margate's oldest surviving historic hotel buildings (circa 1821), even the surveyors were not aware of what lay beneath, as they excavated the lower floor.

A collective vision from the owners, transformed this space from the damp, dark, mysterious smugglers tunnels, into a thriving space for creatives and drinkers alike.

Here, our master concoctors will tempt you with not only the classics but a selection of homemade goodies

Cocktails

Fort Road Sour Either vodka, whiskey or Amaretto- lemon, bitters, egg-white foamer (Vegan)	£10
